RESTART – REINFORCE ENTREPRENEURIAL AND DIGITAL SKILLS OF STUDENTS AND TEACHERS TO ENHANCE THE MODERNIZATION OF HIGHER EDUCATION IN MOLDOVA

The Erasmus + project “ReSTART - Reinforce entrepreneurial and digital skills of students and teachers to enhance the modernization of higher education in Moldova” is co-funded by the European Commission through the Erasmus + KA2 - Capacity Building Program in the Field of Higher Education, starting October 15, 2017 on a 3 years term. The project in question provides the modernization of the master's program *Business Administration in the Agri-Food Sector*.

Due to the ReSTART project, at the UASM 6 university courses have been upgraded for students from the second cycle, from the specialization of Business Administration in the Agri-Food Sector. To now, 5 information sessions, 4 professional career guidance sessions for master students, 4 follow-up sessions, 1 Event multiplier session and 2 trainers training sessions were organized in Bucharest and Košice.

MULTIPLICATION SESSIONS

On October 30, 2019, at the State Agrarian University of Moldova the multiplication event within the ReSTART project was organized, with the topic "**GOOD PRACTICES IN ENTREPRENEURIAL EDUCATION**". The event was divided into two parts. In the first part of the event, a meeting was organized with the young entrepreneurs, who presented their opportunities for launching and developing ECO business for young people in the Republic of Moldova.

In the second part of the event, a round table was organized called "**Impact of European practices on entrepreneurship education in the Republic of Moldova.**"
